

THE VERNON RECORD

VOLUME NO. 11

VERNON, WILBARGER COUNTY, TEXAS, NOV. 15, 1918

NUMBER 87

VERNON MEN PLAN INDUSTRY SURVEY FOR LOCAL BENEFIT

Chamber of Commerce Hopes to Find What Conditions Will Prevail Over Country Generally Following Return of Peace In Regard to Farming, Stock Growing and General Business

An industrial survey of Wilbarger county is being planned by the local Chamber of Commerce. After the war conditions are being speculated on by men everywhere, as to prices that will be paid for wearing materials, cotton, pork, beef, and other food products—what will be most in demand, and what conditions must be met to insure most satisfactory returns?

That there will be an unusual readjustment is certain, and it is impossible for individuals to do more than guess what nature these will take. However, that information is even more important to a community than to an individual, the Chamber of Commerce reasons, and that this survey will be made.

The survey will include, not only Wilbarger county and Texas. It will cover the whole country. A feature of the survey will be a series of letters written W. G. McAdoo, secretary of the Treasury; Geo. W. Simmons, president of Simmons Hardware Company in St. Louis, and director of the Southwestern Division of the American Red Cross during the war; Senator Morris Sheppard; J. W. Hoopes of the Federal Reserve Bank, and a great number of others who stand high in business and financial life.

The purpose of these letters will be to secure from representative men of authority a statement as to what must be done to help meet the changing conditions, incident to the coming of peace with greatest profit to the country and the individual. A series of questions will be asked, eliciting replies so that the common man may understand just what the suggestions mean, where it might be difficult, if scientific diagnoses were given or technical replies made.

These letters will be published in The Record from time to time. After that is done, the local organization will undertake to co-ordinate activities in Wilbarger county so as to bring the greatest development here and the largest prosperity to farmer and business man.

One part of the industrial survey calls for a Community Week, which it is hoped can be arranged for some time during the early spring. The leading men in different lines of industry and thought will be brought to Vernon, in connection with five or six other towns in this section. Details of this plan will be announced from time to time.

ASKS FOR REPORT OF CLUB MEMBERS

N. R. TISDAL SAYS CONTESTANTS MUST TURN IN RECORDS THIS MONTH.

Members of the county clubs who are competing for prizes on grain sorghums and peanuts must have in their final record before December 1. Reports should be turned over to N. R. Tisdal, county demonstrator.

Grain sorghums includes feterita, maize, kaffir, and hageria. According to records in Mr. Tisdal's office there are 160 boys competing on the grain sorghums, and 95 competing on peanuts.

In addition to the special prizes of \$50 on grain sorghums offered by J. A. Dixon, and \$100 on peanuts offered by the Chamber of Commerce, the county fair association offered prizes \$3, \$2, and \$1 for the best acre of each.

Home From Officers' School.

Home E. Wilson, Frank Byrd, Walter McCaleb, and Charles Holder returned home yesterday from Camp McArthur, carrying honorable discharges from the United States army. These men were in the officers training camp, and left Vernon only about a week ago.

EVERY HOG SHOWN AT PITTSBURG BY BOND WON RIBBON

Representative of Vernon Duroc-Jersey Farm Captured Three Sweepstakes, Ten Firsts, Five Seconds, and Three Thirds at Northeast Texas Fair—Refused \$250 for Carroll Nix Hog.

Hogs owned by Daniel Bond brought to Vernon three sweepstakes, ten firsts, five seconds, and three third prizes from the Northeast Texas Fair in Pittsburg. In fact, every animal shown by Mr. Bond won a prize. The show animals were in charge of C. W. Trigg. The animals were all Duroc-Jerseys. Twenty-seven were sent from Vernon.

Following is a list of prizes: best boar 2 years old or over—Grand Model 39 first; best boar 1 year and under 2—Champion Illustration; best boar 6 months and under 12—first, Model High Orion 1st; second, Model High Orion 2nd; third, Model High Orion 3rd; best sow 2 years and over—Lady High Orion 2nd; best sow 1 year and under 2—first, Grand Model Lady 2nd; second, Educator's Queen; third, best sow 6 months and under 12—first, High Orion Queen; second, High Orion Queen 1st; third, High Orion Queen 2nd.

In the sweepstakes, award for best boar of any age was given Grand Model 39; and for best sow of any age, to Lady High Orion 2nd. Lady High Orion 2nd won sweepstakes for best registered brood sow, showing five or more pigs from same litter.

It is interesting to note that Grand Model Lady 2nd, which won first for sow over 1 year and under 2, is the hog shown by Carroll Nix at the county fair, and which won the prize among swine exhibited by members of the boys' clubs. Carroll bought the animal from Mr. Bond last February, paying \$25 for her. She weighed 90 pounds. In September the sow weighed 440 pounds. Counting the time and cost of feed, plus the cost of the pig, the sow cost Carroll \$53.90.

As the boy did not want to keep the sow, Mr. Bond paid him \$100 for her, which was considerably more than the price she would have brought on the swine market. However, after she was awarded first at Pittsburg, Mr. Bond's representative refused an offer of \$250 for the sow.

Litter mates and half brothers of Mr. Bond's hogs have been awarded highest prizes at the National Swine Show more than once, as well as at State Fair in Iowa, Nebraska, and Missouri. All of Wilbarger county will rejoice over the success of representative animals sent from the Vernon Duroc-Jersey Hog Farm, as Mr. Bond has named his place. It will help bring to Vernon men who are looking for the best in swine that America affords.

THANKS WOMEN FOR GIFT OF \$75

HOME SCIENCE CLUB DONATION TO RECREATIONAL CANTEN FUND APPRECIATED.

The following letter has been received by Mrs. W. H. Huggins expressing the appreciation of the contribution made by the Home Science Club to the Recreational Canteen Fund of the Texas Federated Women's Clubs:

"Bowie, Texas, November 10, 1918.—Mrs. W. H. Huggins, chairman of the Recreational Canteen Fund of the Texas Federated Women's Clubs, Wilbarger county, Texas: Please express to members of the Home Science Club my appreciation of the generous gift of \$75.00 to this splendid cause. Sincerely,

"MRS. W. R. POTTER, First District Chairman Recreational Campaign Fund, T. F. W. C."

The Recreational Canteen Fund is an enterprise launched by the women's clubs of the state for the establishment and operation of recreational centers in cantonment cities, and is independent of the organizations represented in United War Work Fund, now being raised.

AN APPEAL TO PATRIOTIC WILBARGANS.

With but two days remaining in the in the United War Work campaign, the county lacks fifty per cent of reaching its quota. The country districts, for the most part are coming through with their quotas. Some are turning in heavy over-subscriptions.

But Vernon lags behind. Business and professional men in the city in many cases are subscribing less than tenant farmers, who haven't had a crop in three years. Widows with sons in the army are giving more liberally than others, who seem to have money to buy oil stock, automobiles and every comfort and luxury for themselves, but have nothing for the "boys" who have given everything for liberty.

Every man in Wilbarger county who calls himself a patriot should give to this fund. It is needed worse since the armistice was signed than before. Don't forget the boys who made peace possible when rejoicing over the victory that is ours.

I urge everybody who has already subscribed to re-examine your subscription in the light of patriotism and see if you can't double it. Some have given a dollar who should have given fifty.

Chairmen of all districts, regardless of whether the quota has been subscribed, re-canvass your district. Get every dollar you can.

Wilbarger county has never failed to do its part in war work. We can't afford to fail now.

I appeal to every citizen of Vernon, especially, to give to the very limit. The county quota is \$15,000 and it must be raised.

R. H. NICHOLS, County Chairman.

WILL WRITE BOYS IN SERVICE LETTER

CHAMBER OF COMMERCE ASKS NAMES AND ADDRESSES OF WILBARGER MEN.

The name and address of every boy from Wilbarger is wanted by the Vernon Chamber of Commerce. This means men in the United States army and navy in America and elsewhere, as well as in France. Persons having sons, brothers, a husband or friend in the fighting forces of Uncle Sam are asked to turn in their names at once.

What for? It is the purpose of the Chamber of Commerce to write a Christmas message to every man from Vernon and Wilbarger county. A letter from home will be appreciated, it is felt, even though one's own kin did not write it, if it tells the men how their service has been appreciated by friends and neighbors, and sends a message assuring them that the folks back home are behind them and expect to co-operate with them when they get back to Wilbarger county.

In order to get a Christmas letter to all of the boys their names must be had at once. It will take several days, and already work of getting ready the letter has begun.

Failure of any boy to receive a Christmas message from Vernon will be due, in large measure (if one fails to get a letter) to failure of his people or friends to turn in his name. Interested persons are asked to write or telephone their relatives' names to the Chamber of Commerce at once.

LIEUT. K. C. MORROW KILLED. Former Call Field Officer Who Had Frequently Visited in Vernon Has Fatal Mishap.

Miss Faye Greever is in receipt of a message stating that Lieutenant K. C. Morrow had been killed at Detroit, Mich., in an airplane accident. His death occurred Monday afternoon. At this time no details are available.

Lieutenant Morrow was formerly an instructor at Call Field, and frequently visited in Vernon. At the time of his death he was an inspector at Detroit, Mich. His home was in Logansport, Indiana.

CHANGED SCHEDULE FOR LOCAL TRAINS

Fort Worth and Denver Railroad Is Ordered to Take Charge of Quanah, Acme & Pacific.

A change in schedule of trains on the Fort Worth and Denver Railroad is announced, effective at 12:01 o'clock Sunday morning.

Agent G. T. Allman has not yet received advice as to the exact time at which all trains will arrive and leave Vernon; however, train No. 4, southbound due here at 12:15 P. M., will reach Vernon 45 minutes earlier; train No. 7, northbound, due at 5:40 A. M., will reach here 10 or 15 minutes earlier than now; train No. 8, southbound, due at 12:25 A. M., will reach Vernon 10 or 15 minutes later. There will be no change in the schedule of train No. 3, northbound, due to reach Vernon at 4:07 o'clock P. M.

Announcement has been made that in pursuance of the general plan of conservation since the Government took charge of the railroads, the Denver has been ordered to take charge of the Quanah, Acme & Pacific road, running from Quanah to Roaring Springs. The transfer will be made immediately, and the new schedule will show Q. A. & P. trains.

PAUL CASTLEBERRY WRITES.

Vernon Boy Tells Parents Got Hurt Trying to Stop Piece of Shrapnel With His Foot.

Mr. and Mrs. A. H. Castleberry are in receipt of a letter from their son, Paul, telling of the wound he received some time ago, going "over the top." News of the wound was received in a letter last week from Howard Heath. The two boys are in the same hospital. The letter is dated October 15.

"I am in the base hospital now," Paul writes, "but only got wounded slightly in the right foot. I stopped one piece of a shrapnel. It might have done some damage if I hadn't gotten in front of it. Now, don't be alarmed, for I will be up and going in a few weeks. It has only been five days since I was hit."

"We are certainly being treated nice, with good doctors and kind nurses, and beds with clean linen. We surely are after Fritz."

GRADING STARTS ON ROAD TO OKLAUNION

DUMPS MUST SETTLE THOROUGHLY BEFORE ANY PAVING CAN BE DONE.

Grading has been started on the highway that is to be paved from Vernon east toward Oklaunion. County officials expect to push the work as rapidly as possible.

The new road will leave Vernon at the end of Wilbarger street, and passing through the farms of D. L. Green, C. E. Warren and D. Z. Shepard, will intersect the present road a short distance east of Mr. Shepard's home. This will shorten the distance considerably from Vernon to East View cemetery, and give practically a straight road from the courthouse in Vernon to Oklaunion.

Permission to sell the road improvement bonds was secured in September. However, the War Industries Board refused to grant priority to the proposition so that material could be secured. That will not materially interfere with the work now, and perhaps not at all, since restrictions on building material have and are being removed. Of course, no paving could be put down until the grade had settled thoroughly.

It is expected that traffic will be turned into the new road as soon as grading across the Green, Warren, and Shepard farms is complete.

WIDENING PARADISE STREET.

Both Sides of South Main Is Being Improved.

Graders were at work yesterday widening the entrance of Paradise street into South Main on both sides of the street. Considerable dirt will be removed on the east side of Main Street, where the approach has been an abrupt decline, calculated to cause a disaster if vehicles happened to meet there without ample room.

After the grading is done, a concrete gutter will be put in extending to the crossing on each side of Main street.

This work of the city will practically double the width of the approach available from Paradise into South Main street.

WHILE TWELVE DISTRICTS ARE "OVER THE TOP" ON UNITED WAR WORK FUND COUNTY HAS PLEDGED ONLY \$7,867.41

Harrold, Dawson Valley, Grapevine, Bell, Crescent Cove, Parsley, Haney, Haulk, Ronda, Mack, Jackson Springs and Oklaunion Have Raised Their Quota—James and Union Within \$5 of Mark—Girls and Boys Are Earning Money to Help Wilbarger Get \$15,000.

According to reports received at campaign headquarters last night, only \$7,867.41 has been subscribed to the United War Work Fund. This is just a little more than half of the county's quota, which is \$15,000.

Twelve districts have over-subscribed, five or six more are within a few dollars of the top, and will go over today, their chairman say.

Harrold made the most splendid record of any district in the county. Under the leadership of R. Cobb, the quota was reached before 10 o'clock last Monday, but the work did not stop. The district had reported last night \$718.50 on a quota of \$600. This accomplishment is even more remarkable when it is remembered that the country around Harrold has been harder hit by the drouth, perhaps, than any other section of the county.

Other districts officially over the top are Dawson Valley, Grapevine, Bell, Crescent Cove, Parsley, Haney, Haulk, Ronda, Mack, Jackson Springs and Oklaunion. James and Union each lack less than \$5 of being over.

Odell reports a subscription of \$455 on a quota of \$800. A union mass meeting has been called for the Methodist Church big hall Sunday, when it is hoped that the quota will be reached.

Boys and Girls Active.

According to reports made to Mrs. H. B. Farrell, county chairman of the Girls' division, boys and girls in the local schools have pledged \$398.03, divided among the four buildings as follows: Shive, \$233.16; Central, \$106.97; East Ward, \$17.90; High, \$40.00.

The women's division, under the leadership of Mrs. W. D. Berry, has perfected a splendid organization, and a considerable fund is expected to be raised on the basis of self-sacrifice. Women are being urged to do without something and give the amount saved to the War Fund.

Work among the children is on the earn and give basis. Boys and girls are pledging themselves to earn money and give to the Fund. "Victory" Boys and "Victory" Girls are pledged to earn and give \$5.00.

One Vernon school girl told her father a few nights ago that she wanted to be a "Victory" girl. He agreed to give her money, but she refused it and said she wanted to earn it. The next day she secured a milk customer and will deliver the milk herself and earn her \$5 in this way.

Offered to Take Whipping for a Dime.

The most patriotic boy in Vernon, perhaps, is a seven-year-old, who attended the patriotic celebration Monday and was so impressed with what the speakers had to say about helping "the boys" that he determined to get some money to do his bit. He went home and told his mother he wanted to help the soldier boys and offered to let her whip him if she would give him a dime. The mother told him if he wanted to help that badly she would give him a dime to cut some weeds in the yard.

Oil Company Gives \$50.00.

The Gulf Refining Company has sent a contribution of \$50.00 to the local agent, J. W. Coffee. This concern took \$500 here on the last Liberty Bond issue, and Mr. Coffee says the Company can be relied on to help in every such movement in Wilbarger county.

R. T. Harriss has authorized his local representative to subscribe \$15 for each of his three gins in the county.

Seven \$100 subscriptions have been made in Vernon, and it is hoped that this number will be trebled before tomorrow night. The \$100 contributors are W. D. Berry, T. H. Shive, The Vernon Record, Perkins-Timberlake Company, Dixon Dry Goods Company, W. A. Wilhelm, L. G. Hawkins.

W. B. WILBANKS WOUNDED.

Route 2 Boy Writes Mother That He Got to Stay at Front Only Two and Half Days.

Mrs. J. A. Wilbanks of Route 2, Vernon, is in receipt of a letter from her son, W. B. Wilbanks, advising that he was wounded "Somewhere in France." The letter was dated October 13. Private Wilbanks is in a Red Cross hospital.

"I made it 'over the top' once and had a hard day, after having been on the front only two and a half days," Private Wilbanks writes. "I was in a hole when a big shell hit close to me, and a piece of shrapnel struck me in the top of the head. I got hurt October 8, and hope to go back to my company in about a week."

"There surely is a fine lot of nurses here, and they do everything in the world for a fellow."

Private Wilbanks says that the Thirty-Sixth Division lost heavily. His only complaint is that mail does not reach him promptly. His address is Company I, 142 Infantry.

ROY SWINBURN GASED.

Vernon Boy Writes His Clothes Were Torn Off by Barbed Wire Entanglements in France.

Mr. and Mrs. O. A. Swinburn are in receipt of a letter from their son, Roy, who is in base hospital No. 202, at Orleans, France. Roy is in Company K, 144 Infantry. His letter was dated October 13.

"I have been 'over the top,' and am back here in the hospital resting easy. You can't imagine what I have seen, and been through during the last twenty days."

"There is nothing very serious the matter with me. My gas mask was shot in two, with the result that I got slightly gassed. I hope to be back with my company before long. They are still fighting."

"When I reached the evacuation hospital my clothes were completely torn off of me by barbed wire entanglements and pieces of big shells. But we surely did gain in the sector that we held."

Roy says he is still weak. He sends a "hello" to all friends.

Thalia News.

Thalia, Nov. 14.—(By special correspondence.)—John and Sue Thompson came home Friday from Vernon. John came in with the influenza. They will both be out of school until John is entirely well.

Two aeroplanes passed near here on their way to Crowell, Monday. Quite a number of people from here went to see them light and rise.

Marvin Phillips visited in Rayland Saturday and Sunday.

F. J. McDonald and sons, Noel and Royce, were here Monday on business and visiting friends and relatives.

G. A. Shultz and family visited the former's parents, Mr. and Mrs. D. M. Shultz.

The infant of Mr. and Mrs. Wood Roberts is sick at this writing.

Knoxie Burruss and Fred Brown visited Lon Tapps and family Tuesday night and Wednesday.

D. A. Crawford and daughter, Artie Mae, of Crowell, visited friends in Thalia Tuesday.

George Burruss and wife spent Sunday with the former's parents, Mr. and Mrs. W. D. Burruss.

Truett Neill has the influenza and is not able to be in the store this week.

The young folks were entertained by M. J. Phillips Monday night. Mr. Phillips' son, Marvin, left Tuesday morning for San Diego, Calif. He has been with them 20 days on a furlough from the naval training station.

Garland Burns is just about to recover from the influenza.

There was no school Monday. The children and teachers were in Crowell to see the aeroplanes, and celebrate victory over Germany.

G. A. Works, R. H. Nichols, J. D. Parnell and W. H. Madden of Vernon passed through town Monday en route to Crowell to help put Ford county "over the top" on the United War Work Fund.

Leta Haney is better at this writing. Roy Ayres of Crowell was in Thalia Saturday evening. He and Fred Brown are in camp together.

Adelle Ragland is in Crowell this week nursing her sister and family. Mr. and Mrs. Charlie Thompson, of Crowell, who have the influenza.

Charlie Hathaway has closed his restaurant and taylor shop. He will work for Edwards, Leeper & Company, during Truett Neill's absence.

Mrs. F. P. McGhee went to Electra Sunday to help with nursing influenza.

Bring in all turkeys you intend to sell on Thanksgiving market. The price is right and we want lots of turkeys. White Produce Company, 86-2c.

Elliott News.

Elliott, Nov. 14.—(By special correspondence.)—There was great rejoicing Monday afternoon when the good news came in that the war was over. Several went to Vernon to help celebrate the event. School closed Monday afternoon for a half holiday. R. B. Richardson of Fargo and daughter, Mrs. R. S. Covey, of Penelope, visited Mrs. Amos Bates and family Saturday. Mrs. Covey returned to her home Monday at noon.

Professor L. A. Hollar and family of Vernon visited Elliott school Friday afternoon.

W. T. Hutchins and wife were shopping in Vernon Monday.

Eron Bristoe of Electra visited home folks Sunday.

J. H. Hutchins and family of Elreno were visiting in Elliott Sunday afternoon.

Mrs. Hubert Smith and children of Electra are visiting home folks this week.

Ed Covart, who has been away for two or three months returned last week.

There will be services at 11 o'clock Sunday at the Baptist church. Everyone invited to be present.

There are several new cases of influenza reported, but none serious.

Everything looks like spring around Elliott as there was a good deal of wheat put in, and it is growing nicely.

Mrs. F. H. Steinman was ill the last of the week, but is reported to be up at the present.

Mrs. Kelly gave the young folks a party Monday night.

Mrs. C. B. Mason gave the young folks singing Sunday evening.

Spanish Influenza Strikes Suddenly

Pneumonia Often Results—Victims Seized Without Warning Making Precaution Doubly Necessary.

Much of the difficulty experienced by health authorities in checking the spread of the Spanish Influenza lies in the fact that it strikes its victim without warning.

Although State and Federal authorities are taking every possible precaution.

tion in their effort to stop the spread of the epidemic, the disease in many sections of the country has gotten entirely beyond control and is claiming its victims by the thousands.

It is universally agreed by all well informed persons that the surest preventative is to get the system in the best possible physical condition in order to be able to throw off the infection. As has been previously stated it is possible to perfect the powers of resistance of the human system so that it can throw off almost any infection, not excepting Spanish Influenza, which is one of the most contagious diseases known.

Medical authorities agree that people who are weak and run-down are the earliest victims of the Influenza epidemic. If you find yourself weak or losing flesh, or if you are in a generally run-down condition, you are really in great danger if you should come in contact with the influenza germ.

As a powerful reconstructive tonic and system builder, Tanlac is without equal. This is a statement of facts and is fully supported by recognized authorities. According to all accepted reference works, including the United States Dispensary, Encyclopedia Britannica and leading text books used in the school of medicine, the principle ingredients of Tanlac possess the most valuable tonic properties known to science. This statement is further proven by the fact that millions of persons who have actually taken Tanlac have testified to its extraordinary merit as a medicine.

Tanlac restores health and strength to the weak and run-down system by enabling every organ of the body to

Today—Fred Stone's first Artercraft photoplay, "The Goat," is a curious mixture of human drama and riotous humor. The story deals with an iron worker who seeks to gain wealth and fame as a motion picture actor and who finds his road rough. Molly thinks the would-be actor is making a fool of himself and they quarrel. He secures a "big chance," and carries it through, but is seriously injured. Finally he receives a check for \$1,000 from the film company, Molly returns, and Chuck decides to go back as an iron worker.

Saturday—"Italy's Flaming Front." It shows fierce land fighting, a Grand Battle Fleet in attack, and the only air fight to a finish ever photographed. These extraordinary pictures were made possible by the mountaineous character of the country. A continuous battle took place in a valley where the den by rock and sheltered and hidden in numerous crags, the cameramen close-ups (actors) were able to secure interesting and panoramas of real fighting such as have never before been possible. The aerial fight and naval battle were photographed by two cameramen in Italian seaplanes and four on the fleet which took part in the action.

Monday—How Dorothy Grant, the beautiful daughter of a manufacturer of munitions, makes up her mind to be a real patriot and how she goes about it, makes one of the most delightful screen romances in which dainty Vivian Martin has been seen. In "Her Country First," the girl is attacked by spies and threatened with death if she refused to reveal the pass word to her father's munition plant. The girl held out to become a much admired and sought-after heroine.

Pictorium.

Today—Constance Talmadge in "Good Night, Paul." The story hinges about the attempt of Matilda Landers (Constance Talmadge) to help her husband and his partner out of financial difficulties by proclaiming herself the partner's wife when his uncle arrives to give him \$50,000 if he has married to perpetuate the family name. Uncle decides to stay on for a month, so Matilda has a triple job on her hands: keeping the uncle in the dark, keeping the partner amiable, and keeping "hubby" tractable under the trying circumstances.

Saturday—The appealing beauty and artistry of Alice Joyce are given wide scope in "The Triumph of the Weak," the story of a woman who rises above the direct adversity. Alice Joyce as Edith Merrill, a young widow, has stolen a ring from a jeweler in order to buy milk for her baby and finds herself in prison for a five-year term. The climax of the story is in the fortitude with which the woman proves herself during this period.

Monday—"To Him That Hath" tells of the manner in which David Aldrich, a struggling author, assumed the guilt of his great friend and benefactor, Philip Morton, when upon the latter's death David finds that Morton has stolen \$2,000 of the money entrusted to him as the head of an East Side mission. David does this because he realizes that if it becomes known that Morton was a thief all his splendid work at the mission will be ruined. So David goes to the penitentiary, in spite of his love for Helen Chambers. When he gets out of

prison for the crime he never committed David finds life a hard proposition. However, he wins out, and he and Helen are happily married.

8 TESTED RECIPES BY MISS WILCOX

HOME DEMONSTRATION AGENT MAKES SUGGESTIONS FOR -SAVING SUGAR.

Eight recipes are given herewith. They are sponsored by Miss Ohmie Wilcox, home demonstration agent, and are calculated to help conserve sugar. Miss Wilcox has a number of other recipes, and will give some at an early date on meat substitutes.

The recipes follow:

Cranberry and Apple Pudding.

Rice, 3-4 cup; water, 3 cups; Apples, 3 large; cranberries, 1 cup; sorghum, or sirup, 1-4 cup; raisins (if desired), 2 tablespoons.

Steam the rice until soft in a double boiler. Grease a pan and line it with cooked rice, reserving some for the top. Peel and core the apples and cut the cranberries in halves. Cut the apples into thin slices. Mix the two fruits together and fill the pan, putting a layer of fruit and then a layer of sweetening. Cover the top with a layer of rice. Put on a greased paper and steam for one-half to three-fourths hour until the fruit is quite cooked. Turn out onto a hot dish and serve with custard sauce.

Popcorn.

Pop the dried corn in a regular popper or a covered iron frying pan, shaking vigorously and taking care not to let it burn. A cup of dried corn will make three quarts when popped. It is good mixed with a little salt or melted butter and salt.

To make a sweet of it, combine with sirup. Boil together 1 cup corn sirup and 1 tablespoon vinegar until a few drops harden in water. Pour over the popped corn while the sirup is hot. This amount of sirup will cover 3 quarts of popped corn. As soon as the mass is cool enough to handle, grease the hands well and form into balls.

Stuffed Prunes and Dates.

Soak the prunes overnight, dry, and stuff with chopped nuts, raisins, or apricots. Wash the dates, dry them, and stuff the same as prunes. These and the Parisian Sweets are good to eat and good for you.

Parisian Sweets.

Use equal quantities of figs, dates, and nuts. The nuts may be omitted and prunes or raisins added. Put through a food chopper. Mix well and roll in a little powdered sugar or grated coconut.

Date Pudding.

2 cups milk; 1-2 cup corn or maple sirup; 12 seeded dates cut up small; 3 tablespoon corn starch; 1-2 teaspoon salt; 1 teaspoon vanilla.

Mix the corn starch with 1-4 cup milk. Heat the remaining milk in a double boiler. Add the corn starch, sirup, dates, salt and stir until thick, cover and cook for 20 minutes. Add the vanilla and pour into a dish to cool. Prunes are good instead of dates.

Gingerbread.

1 cup cornmeal; 1 cup wheat flour; 2 teaspoons cinnamon; 2 teaspoons ginger; 1-2 teaspoon salt; 1 teaspoon baking powder; 1 teaspoon baking soda; 1 cup molasses; 1 cup sour milk; 2 tablespoons fat.

Sift dry ingredients and add molasses, milk and fat. Beat well and pour into a greased pan. Bake 25 minutes.

Cranberry Gelatine.

2 1-2 tablespoons gelatine; 1-2 cup boiling water; 1-4 cup cold water; 1 1-2 cups cranberry juice; 1-2 cup sugar; 1-2 cup sorghum or sirup; 1 tablespoon lemon juice.

Soak gelatine in 3 tablespoons cold water. When soft add boiling water, and other ingredients. Strain and turn into mold and chill. Serve with whip cream. Whip cream may be beaten into jelly as it begins to set.

Conservation Chocolate Cake.

1-4 cup fat; 3 tablespoons brown sugar; 2 eggs; 1 cup corn sirup; 2 squares chocolate; 1-2 cup milk; 2 cups barley flour; 4 teaspoons baking powder; 1-4 teaspoon salt; 1 teaspoon vanilla.

Cream the fat and sugar, add the egg yolks, sirup and melted chocolate and beat well. Sift the dry ingredients together and add alternately with milk. Add vanilla and fold in the stiffly beaten whites. Bake in loaf or layers in a moderate oven.

Frank Haley of Wichita Falls visited at the home of Mr. and Mrs. A. M. Hitt Wednesday.

John B. Nabers, county engineer, is in Fort Worth on business in connection with the road construction work.

Mrs. J. N. Johnson returned Tuesday afternoon from Marlin, where she went with her niece, Miss C. E. Alderdice, of Waxahachie, who was suffering from blood poison. Miss Alderdice has visited in Vernon and has many friends who will regret to learn of her misfortune. Mrs. Johnson also visited in Mexia and Waxahachie.

Rayland News.

Rayland, Nov. 14.—(By special correspondence.)—Lee Jordan was in Vernon Monday on business.

Bob Abston and Clarence Haney of Thalia attended singing at the Methodist church Sunday night.

Mr. and Mrs. S. H. Williams of Fargo, stayed from Friday until Sunday with relatives here.

Mr. and Mrs. R. P. Price gave the young people a party Saturday night, which was enjoyed by all present.

Miss Myrtle Huntley spent Saturday night with Miss Dora Young and attended the party at the home of R. P. Price.

Mr. and Mrs. Chas. Jordan of Talmage spent Sunday with Mr. and Mrs. J. L. Gobin. Mrs. Jordan and Mrs. Gobin are sisters.

Raymond Mears returned home last week from Wheeler county where he had been visiting his sister, Mrs. R. B. Greenhouse.

Mr. and Mrs. J. L. Gobin are the proud parents of a nine and one-half pound girl.

Mr. and Mrs. Ernest Reinhardt of the Guggisberg community, spent Monday with Mr. Reinhardt's sister, Mrs. Ed. Goings.

Mrs. J. A. Abston, of Thalia, visited from Sunday until Monday with Mrs. Maggie French.

Jess L. Rennels is in Tampa, Texas, on business. He was accompanied by S. W. McLarty of Vernon.

Rev. J. H. Hamblin and Mark Henry of Crowell, spoke Sunday afternoon at the Methodist church in the interest of the Y. M. C. A. work. Rev. Hamblin spoke on the work overseas, and brought the news that the kaiser and his cabinet were tearing their hair and getting out of the way of our brave boys. We hope that our boys will soon be able to come back to America.

Most of the Rayland people were in Vernon Monday night to celebrate the signing of an armistice by Germany. A large crowd was out Tuesday night to watch the boys drill. Carl Mears acted as captain. Raymon Mears was corporal.

Fred Caldwell was in Vernon Tuesday on business.

The I. O. O. F. lodge met Tuesday night with good attendance.

PARENT-TEACHERS TO ORGANIZE.

Mrs. J. E. Lutz Announces Some Advantages Vernon May Secure From State University.

The State of Texas, through the State University and Industrial Colleges, offering to the women of Texas, practical help along all lines of work pertaining to the home. For instance, the State University will send a demonstrator to our town for a week's stay to help remodel old garments; another, to give short courses in household economics, another to tell how to dress the high school girl more appropriately, how to prepare school lunches, the proper diet for school children, etc.

We can have any or all of these splendid things free of cost if we but ask for them. This work will be extended through the Parent-Teachers Association. If you are interested in securing this help for our community, attend the Parent-Teachers Association, Thursday at 4 o'clock, at the auditorium of the high school.

MRS. J. E. LUTZ.

President Parent-Teachers Association.

HOME SCIENCE CLUB ELECTS.

Mrs. E. L. Keltz Is President and Mmes. Brown, Gibson and Wilhelm New Members.

Mrs. E. L. Keltz was elected president of the Home Science Club Friday, following the resignation of Mrs. J. L. Tull. The meeting was with Mrs. J. E. Collins. Mmes. R. O. Brown, Bruce Gibson, and H. B. Wilhelm were elected to membership in the club.

Mrs. J. G. Sherman and J. D. Parnell made 4-minute talks on the United War Fund campaign.

A menu consisting of pumpkin pie made from a new government recipe, whipped cream and coffee was served by Mmes. E. I. Moele, J. G. Sherman, J. H. Watts, Alex. Ross, E. F. Piper, and W. H. Huggins.

The December meeting of the club will be with Mrs. W. H. Huggins. It will be a needlework evening.

Ernest Dyer Died Tuesday Night.

Ernest Dyer died at his home in East Vernon, Tuesday night after an illness of two weeks with influenza. The funeral was held Wednesday afternoon at 3:30 o'clock, services being conducted at East View by Rev. S. H. Holmes. Mr. Dyer was 28 years old and is survived by his parents, Mr. and Mrs. S. F. Dyer, one sister, a wife and two children. Friends of the bereaved family join in expressions of condolence and sympathy.

Mrs. W. A. Hise and daughter, Mrs. J. L. Phillips, left Saturday for a visit in Amarillo. Mrs. Phillips will return the last of the week and Mrs. Hise will spend three or four weeks in Amarillo.

S. W. McLarty went to Gray County Wednesday on business and will return Saturday.

Messes. O. A. Brunson and R. A. Williams and their families spent Monday in Electra. Brunson and Williams have a store in Electra. Mr. Williams' uncle also lives there.

Vernon, Texas, Friday, Nov. 15, 1918

AMERICA LEADS.

The most splendid significance of the events through which we have passed this week is not that the terrible struggle of four years has ceased; not that the War Lords of Germany have been overthrown; nor yet is it that America has demonstrated her right to stand at the front among the nations.

Monday was the greatest day since the Crucifixion because it marked the emancipation of more than 100,000,000 people from autocratic rule. The condition of many within the bounds of the Central Empires was little better than that of slaves.

Emancipation does not mean utopia. Far from that, it may mean struggle, bloodshed, even anarchy. So that the thing that must follow hard upon our rejoicing for victories won, is that order must be restored in Europe before the world is at all "Safe for Democracy."

The world is beginning to recognize that America does not fight for gain. Small nations are coming to learn that they must trust America. Big and little, kingdoms of the earth are beginning to understand that America fights for an ideal, and that the right of the humblest nation is as sacred as is that of the most powerful.

For these reasons, as well as because Italy, France, and England have born the brunt of battle, American boys must take up most of the work of policing Europe. Germany is in want, Austria's squalid masses famish for food. France must be rebuilt, Belgium, Serbia, and Montenegro must be restored, insofar as possible for them to be restored, and the poison of Bolshevism must be rooted out of Russia.

All of this is America's task. It may keep our boys in Europe two years, maybe more. But it is the greatest undertaking of the ages, and has been made possible largely because of the vision and the statesmanship of Woodrow Wilson. America must take first place in reconstructing the world.

HUNDRED PER CENT LOYALTY.

While the fighting has stopped, following the signing of an armistice between Germany and the Allied Powers, Abbie Farwell Brown's definition of Hundred Per Cent Loyalty is no less timely. Read it:

"Loyalty, as I see it, means backing up the nation's forces, executive and administrative, Army and Navy, in the fixed determination to see this war through to a safe close; backing them up with 100 per cent of one's energy, 100 per cent of one's enthusiasm and 100 per cent of one's good will, available strength, time and cash.

"I have been seeing a good many different 'circles' of people lately; and it is amazing to me how many good and patriotic persons tack on to their expression of loyalty a condition, an exception, an 'if only,' a 'but' or some personal reservation.

"Yes—but if only we had gone into it sooner! But—I don't care much for one of our Allies. I can't forget—'Only—I don't approve of Liberty Loans.' 'I'm afraid of militarism, if—I hear queer things about—'

"One hundred per cent loyalty doesn't sneer at what good has been done, on the score that it might have been better. It doesn't repeat gossip or innuendo about activities which are helping win the war. It doesn't, as I heard a volunteer war worker do, make a con-

FOSTER'S WEATHER BULLETIN

(Copyrighted by W. C. Foster)

Washington, D. C., Nov. 15, 1918.—Last bulletin gave forecasts of disturbances to cross continent November 19 to 23, warm wave 18 to 22, cool wave 21 to 25. This will bring unusually severe storms and will be of much importance to sections where a shortage of rain occurred the past crop season. This will be the last great storm period of the year and the last hope of good rains for the dry sections. Following it the storm forces will be weak till near March 17. This promises a shortage of precipitation for four months, from November 1 to near March 17.

This shortage of winter precipitation, particularly of snow, was one reason for advising not to sow winter grain where dry weather prevailed last summer. Some good rains occurred during the predicted severe storm periods of October where last summer was dry, and many farmers who do not get these weather bulletins have sown an unusually large amount of winter grain. I doubt their reap-

dition as to the 'set' with whom she would be expected to co-operate. No; 100 per centers don't think of themselves, of their disappointment or regret; or what might have been or what unfortunately yet may be. They are optimists, so far as their own actions go. They are constructive, rather than destructive, so far as their words are concerned. They are pushing things on, rather than holding them back. They are builders of a better future, instead of critics of a doubtless imperfect present. "Poor past."

"We need more of them."

Progressive Wilbarger will rejoice that the work of grading the road which is to be paved east from Vernon has been started. While the War Industries Board recently refused to grant a request for material to be used in constructing this highway, it is likely that conditions will have been relieved of any emergency by the time the grade has settled sufficiently to make paving safe, so that all necessary material may be secured. It is evident to thinking people that Wilbarger county must, within a relatively short time, pave all of the principal thoroughfares. Progressive farmers will insist upon having routes of travel which will put them in communication with the market at all times. A paved road does this. It also means a saving of more than half in the cost of hauling crops to market. These are the monetary advantages. The influence of paved roads on community life is even more noteworthy.

With the stacking of arms by soldiers of the Central Powers comes the knowledge that Germany and Austria are little less than famine-stricken. It is believed that the thriftiness of the German may make it possible for him to tide over until another harvest with little aid. On the other hand, Austria is chaotic. Her masses are famished. Failure to supply food might easily result in a condition in comparison with which the horrors of the French revolution

CALUMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

ing good crops. If a dry spring follows great losses will occur on the large acreage of winter wheat sown in last summer's dry section.

Next warm wave will reach Vancouver about November 24 and temperatures will rise on all the Pacific slope. It will cross crest of Rockies by close of November 25, plains sections, 26, meridian 99, great lakes, mid-Gulf states and Ohio-Tennessee valleys 27, eastern sections 28, reaching vicinity of Newfoundland about November 29. Storm wave will follow about one day behind warm wave, cool about one day behind storm wave.

This will be preceded by a cold wave, northern blizzards, heavy snows of the winter north and heaviest rains of the winter south, and followed by a great warm wave and quiet weather with a shortage of precipitation. Quiet weather is expected with moderate temperatures till about December 10, after which colder than usual is expected and not much rain or snow.

pale. America must furnish that food. Part of it can come from economies on the part of the consumer, but the major portion must be secured as the result of increased production by American farmers. Wilbarger county farmers will be quick to respond to this demand. It is an opportunity for patriotic service and, none the less, growing food crops will be good business.

I have the best of everything in hardware, as well as stoves—oil, or coal. J. R. Renfro. S2-107c

Sergeant Major Edwin Lisman Home.

Sergeant Major Edwin Lisman has returned home from Newport News, carrying an honorable discharge. Sergeant Major Lisman was a member of the 4th Battalion, 165th Depot Brigade, and had taken prominent part in the musical activities of army camps where stationed. While in San Antonio he was prominent in musical circles of the city, as well as at Camp Travis. The Vernon boy has been in a hospital fifteen weeks. He was just starting overseas in charge of 1,500 negroes, when he fell, breaking his leg.

SUBSTITUTE RULE ON FLOUR RAISED

**MAY NOW EAT OLD-TIME BREAD
BECAUSE OF WHEAT AVAIL-
ABLE ELSEWHERE.**

R. B. Sherrill, local food administrator, announces that the substitute rule concerning flour has been abrogated. It is no longer necessary to purchase twenty pounds of substitutes when buying flour.

"This means that a consumer may now eat pure wheat flour bread without restrictions," Mr. Sherrill says. "The rule also applies to bakers, who are now permitted to bake pure wheat bread."

This condition was brought about by the present situation in Europe and on account of there being more ships available for transporting food, and the enormous surplus of wheat held for the past three years in Australia, Argentine Republic and India, which now becomes available for supplying the needs of Europe.

"While the restrictions on wheat consumption have been removed, it does not mean that a consumer should be lax in the matter of other foods," Mr. Sherrill says, "for the public will undoubtedly be called upon to make sacrifices of other food commodities in order to help feed the population of Central Europe."

Farmers Valley News

Farmers Valley, Nov. 13.—(By special correspondence.)—The B. Scouts of the Valley had a very serious accident at a meeting last Thursday evening, in which Ralph Daniel was shot and very painfully, if not seriously, wounded. The ball from a 22 caliber target passed almost entirely through his hip. He is getting along very nicely at present and we hope he will continue to do so.

Miss Nora Rose spent Saturday with Miss Ella Lock.

James Pendergraft is at the home of Mr. Henry at Jackson Springs with a severe attack of Spanish Influenza. He went over there to visit and while there he took very sick. John Gold went to visit him Tuesday and also took the influenza.

Willie Lowe of Electra visited here Sunday.

Mr. and Mrs. Lee Locke, Miss Nell Harrell, and Hodge Locke, were in Vernon Saturday.

G. L. Rose was in Chillicothe Tuesday.

Everett Calvert and family, A. D. Baker and family, Mrs. Lee Locke, Miss Nell Harrell, Gordon Gold, Tom Locke, C. H. Randel and family, and Mrs. E. J. Randel of Chillicothe, J. J. Blanchard and family, Chancy and family of Tolbert, Miss Nora Rose and Ella Locke, E. F. Rushing and family, Mr. and Mrs. Louis Randel of Chillicothe were all at the home of Mr. and Mrs. Dile Randel Sunday.

G. L. Rose made a business trip to Vernon Wednesday.

TWENTY MEN EXAMINED TODAY.

Exemption Board Expecting to Receive Orders to Classify Only Registrants Under 19 Years.

Physical examinations for twenty men were completed yesterday. The day before twenty-five men were examined. Five of those called for Thursday did not report because of sickness.

The local Exemption Board will continue the work of giving physical examinations to all men not heretofore examined until orders are received to discontinue the work. Cecil Storey, chairman, expects to receive such an order soon. He thinks that only those men under 19 years old will be classified now.

Two members of the local Exemption Board are sick. O. K. Storey, secretary, is suffering from an attack of influenza. A. M. Hiatt is unable to be down town.

Returns From Munition Plant.

R. H. Berry reached Vernon yesterday from Nashville, Tenn., where he went to work on a Government munitions plant. Shortly after going to Nashville Mr. Berry had his leg broken as the result of a falling scaffold, and was in a hospital eight weeks. Mr. Berry hurt his injured leg as he was starting home from the depot in Vernon, and is having to spend some time in bed.

Leverett-January Nuptials.

R. R. Leverett and Miss Flora January were united in marriage Saturday by Judge E. L. McHugh. The ceremony was performed in the office of the county clerk. Both of the young people are well known in the county. Miss January lives at Tolbert, and Mr. Leverett lives northwest of Vernon. Friends extend good wishes.

Arthur Lloyd Overseas.

Mr. and Mrs. A. A. Lloyd have received a card notifying them of the safe arrival overseas of their son, Arthur. He is in the medical corps and is attached to the 103rd base hospital.

Doans News.

Doans, Nov. 14.—(By special correspondence.)—J. C. Wilson and J. P. Richardson came in Friday night from a business trip to Oklahoma City.

Miss Winnie Owen is at Dr. Jordan's in Fargo to be with his family, who are convalescing from influenza.

Mrs. J. S. Rowland was called to the bedside of her cousin, Mrs. R. J. Johnston, in Vernon Saturday night. Mrs. Johnston died Sunday morning and was shipped to Murfreesboro, Tenn., her former home for burial. Little Sarah Lou returned home with Mrs. Rowland to make her home for a while.

Miss Grace Johnson entertained the young people with a party Saturday evening.

Miss Mary Owen has been in Vernon the past week with Mrs. J. T. Cabe, who has had influenza.

J. K. Brauman of Wichita Falls spent Sunday night with his daughter, Mrs. Denny Rogers. Mrs. Brauman of White City also visited her.

Mr. and Mrs. T. J. Ammons visited at the home of their daughter, Mrs. Levi Woodard Sunday.

The Spring Lake Rod and Gun Club have the material here for cementing the waste-way of the lake.

Mr. Eaves is improving after being sick with pneumonia.

CEMETERY LOTS ARE HIGHER.

City Commission Increases Charge for Digging Graves and Transacts Routine Business.

Lots in East View cemetery cost more now. The City Commission Tuesday night increased the price of whole lots to \$40; half lot cost \$20; quarter lots cost \$10. The charge for single graves is \$5.

A charge of \$5 will be made now for digging graves for persons over 12 years old. For persons under 12 years the charge is \$2.50.

Routine business was transacted Tuesday night and regular accounts were allowed. Matters connected with the paving of a number of streets for which bonds have been voted were discussed. It is likely that the action of the War Industries Board in releasing the embargo on building materials would permit paving at an early date. However, it is the opinion of the Commission that no paving will be done now until the danger of a freeze has passed. This will be next spring.

LIGHTLESS NIGHTS NEXT WEEK.

Suspension of Order for Conservation of Fuel 2 Nights During 7 Only for War Fund Drive.

L. G. Hawkins, local fuel administrator, announces that the lightless night order will become effective again Wednesday. It was suspended by the Federal authorities only during the campaign for funds for the united war work activities.

After November 20 Monday and Tuesday nights of each week are to be observed as "lightless." White ways will be darkened, except as may be necessary for the safety of persons who have to be out at night; and all show windows must forego illumination on these nights.

Oklahoma News.

Oklahoma, Nov. 14.—(By special correspondence.)—The people of this community are all rejoicing over the fact that Germany and her allies have been defeated in this great war.

Rev. J. J. Couchman of Fort Worth will fill his regular appointment at the Baptist church Sunday.

Rev. Bentley preached at the Church of Christ Sunday and Sunday night.

B. S. Klag, Mrs. Sam Leak and Vallie Jobe were in Vernon Tuesday.

A great many of the boys, who were expecting to leave Tuesday for army camps were very much disappointed at not getting to go, as all calls were cancelled.

Mr. and Mrs. J. H. Brock received word from the latter's cousin, Earl Casey, of camp Mabry that he liked to work for Uncle Sam fine. He was well and enjoying life there.

Sam Leake's mother of Vernon is visiting him this week.

Mr. and Mrs. J. L. Rennels of Thalia visited Mr. Rennels' uncle, Mr. J. H. Brock, Sunday.

Mrs. Ray Brock spent Sunday with Mr. and Mrs. Thomas Long of the Thompson community.

APPRAISING DENVER ROAD.

T. F. Lisman, W. S. Lundy and J. T. Oates Calling Right-of-Way Valuation for I. C. C.

T. F. Lisman, W. S. Lundy and J. T. Oates expect to complete their work this week of making a valuation of the right-of-way of the Fort Worth & Denver Railroad in Wilbarger county. They were appointed by the government to do this work.

Physical valuation of railroads over the country are being made for the Interstate Commerce Commission. The appraisements will be used in fixing railroad rates.

John Vogel Home From Army.

John Vogel came in this week from Camp Travis and went at once to his cotton crop southwest of Vernon. He had been in Camp Travis since last spring, and received an honorable discharge. Three of the Vogel boys rented 320 acres of land and planted it to cotton. John was called first. On July 26 Ernest and Herman were trained for army camp. Herman Vogel died at Hoboken, N. J., recently. The third brother is overseas.

THE TIME, THE PLACE
AND THE GIRL.

Dinner time, this restaurant the place, and the girl—well, your sweetheart, wife, sister, mother or just that dear friend of yours who likes good food appetizingly prepared and temptingly served. Here you will find the quiet refinement and lack of jarring noises usually in evidence. May we serve you?

WHITE ROSE CAFE

NUX-I-TONE

The ideal spring and summer tonic. It gives strength, appetite, quiets the nerves and produces sleep. \$1.00 per bottle (12 fluid ounces). Trial bottle guaranteed to benefit you or your money refunded by

J. H. PENDLETON & SON DRUG CO.

This Is Better Than Laxatives

One NR Tablet Each Night For A Week Will Correct Your Constipation and Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean a poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body.

The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, sallow complexion, pimples, skin disease, and often times serious illness.

Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but real, lasting benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs.

Get a 25c box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but a few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, keeping well is easier and cheaper than getting well.

Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

BROWN'S CASH GROCERY
A SAFE PLACE TO TRADE.

Hinds News.

Hinds, Nov. 13.—(By special correspondence.)—This part of the county was visited the sixth by another big rain which was not as much appreciated as the former ones, because it wasn't needed. Some fields are too muddy to work in yet, and it looks like more rain is coming at this writing. The early wheat is looking fine. Most every one is pasturing it.

School started Monday with Prof. Long as principal and Miss Hazelle Eakle assistant. Both teachers live in Vernon. Prof. Long will make the trip each day in his buggy and Miss Eakle will board with Mr. and Mrs. Claud Muller during the term.

Rev. Gaines B. Hall, pastor of the Presbyterian church at Vernon, filled his regular appointment here Sunday afternoon.

Mrs. J. D. Allison and children visited at the home of A. Allison in Vernon Sunday.

Mr. and Mrs. Clyde Muller are visiting Mrs. Muller's, Mrs. Mary Tyson, of Davidson, Okla.

Miss Lillie May returned Sunday morning from a visit with relatives in Winder, Georgia.

Roy Allison is drilling wheat this week on one of A. Allison's farms near White City.

Mrs. Robert Caldwell and Mrs. Alex Anderson were visitors in Vernon Tuesday.

Will Anderson and family, and mother, all of Lockett, visited Frank Anderson and family Sunday.

Dr. Gentry of Haskell was called to the bedside of his nephew, Vernon Hobson Tuesday. Mr. Hobson is getting better at this writing.

Miss Nellie Dyess visited Miss Christine Barrett of Red Bluff Sunday.

M. R. Taylor sold a load of fine turkeys on the local market Tuesday.

Mrs. Lillie Halford was ill the first of the week.

Mrs. J. D. Allison and children visited Mrs. W. D. Smithson of Vernon, Monday.

Quite a crowd from this community went to Vernon Monday to celebrate the news of the signing of an armistice by Germany.

There will be Sunday school next Sunday morning at the regular morning at the regular hour and preaching at 11 o'clock by a Baptist minister.

Ryley Moore of Red Bluff visited his uncle, Jack Moore, Sunday.

Mrs. Mintie Wood received a letter from her son, Willis, who is in France. He wrote he had been in the hospital ever since he had been there, but was better. He stated he had seen some pretty French girls, but they didn't appeal to him like the girls in old U. S. A.

Mr. and Mrs. Alex Aderson entertained the young people Saturday night with a party.

Mrs. Frank Anderson spent Monday with Mrs. Kell Castleberry.

Mrs. Annie Taylor was a business visitor in Vernon Tuesday.

Brown News.

Brown, Nov. 14.—(By special correspondence.)—Wheat is looking fine in this community.

Lloyd Harrell of Grapevine passed through this community Sunday with a herd of cattle. He will pasture them on his wheat.

Mr. and Mrs. S. C. Hawley spent Friday with the latter's parents, Mr. and Mrs. W. P. Bates, of the Mack community.

J. W. Bowers was a business visitor in Vernon Saturday.

Flabe Mitchell of the Lockett community was visiting friends here Sunday afternoon.

H. J. Harvey has returned to Fort Worth, after visiting his family here.

F. S. Farley and family of Vernon were here Sunday afternoon looking after his farm.

Mr. and Mrs. Harve Clarida of Union and Mr. and Mrs. Joe Bowers visited Mr. and Mrs. T. J. Perry Sunday.

Mrs. H. J. Harvey and children spent Sunday with Mrs. S. C. Hawley.

Mrs. Carl Gordon visited Mrs. S. A. Dill Sunday.

T. J. Perry and Carl Gordon were in Vernon Monday.

George Tillery was a business visitor in Vernon Tuesday.

Health in this community is very good.

J. B. Hawley went to Beaver Creek Saturday and took dinner with his brother, A. P. Hawley.

Mr. Williams, who lives north of the river, spent Tuesday night with his brother-in-law, T. J. Perry.

Card of Thanks.

We wish to express our thanks and appreciation to our many friends who so kindly assisted in repairing around our home, after our misfortune incident to the recent cyclone.

W. W. ADAMS, and Family.

Curtis Hogsett left Tuesday night for Houston to take final examinations for admission to the marine corps.

I have the best of everything in hardware, as well as stoves—oil, or coal. J. R. Menfro. 82-10tc

Remember I keep the best of everything else as well as stoves. J. R. Menfro. 82-10tc

White City News.

White City, Nov. 13.—(By special correspondence.)—The fair weather we are having at the present is certainly appreciated as the farmers have some cotton and feed stuffs to be gathered.

The cyclone that swept through our community Wednesday afternoon did considerable damage, but no lives were lost. A house on J. R. White's place, occupied by Mrs. M. A. Coffer and family, was destroyed, but her household goods were not completely wrecked, although they were damaged considerably. Most everything was saved. A barn on one of Mrs. J. C. Sumner's rent places, where Mr. Ketchum now resides, was blown down.

A small house at the W. W. Adams place was completely destroyed. W. D. Slaven and family were occupying the house at the time, and Mr. Slaven's household goods and clothing were destroyed. The barn, chicken house and all other buildings around the place were blown down. Rev. Adams' Ford car was blown nearly fifty yards and badly wrecked. The house in which his family lived was blown about fifteen feet east from where it was sitting and badly wrecked, but only little damage was done to the furniture.

A small shack, which was not occupied, and a car shed and other out-houses were blown down and partially destroyed at the J. T. J. Dunson farm. Mr. Dunson also lost a considerable amount of feed stuff that was standing in the shock in the field. Damage was also done on W. O. Anderson's farms, at the W. R. Martin and Jim Janca and Eld Coates places, also on the Burie Goodpasture farm.

W. D. Slaven and family have moved to Perry White's place. Mrs. Coffer and family have moved into another of J. R. White's rent houses, where she formerly resided.

Most every person in our community was in Vernon Monday to celebrate the peace news. Every person rejoiced when it was made known Monday morning that the armistice with Germany had been signed, ending the long struggle. Most every family in our community is represented by one or more sons either already overseas or now in training in army camps, preparing to go across.

Rev. and Mrs. W. W. Adams received a letter from their son, Carl, written November 8th stating he was still in Camp Joseph E. Johnson at Jacksonville, Fla., and had been assigned to the quartermaster's department in the dismounted cavalry. The men were to receive their gas masks soon, and would then stand the gas test. There are only a few of the Vernon boys in this camp, among them being Jack Carrington and Luther Immon.

Mrs. J. T. J. Dunson received a card from her son, Marcus, Wednesday stating he would soon receive another overseas examination. Marcus failed in the first overseas examination, the influenza having affected him in some way so as to leave him unfit at that time for overseas duty.

Clifton Starr from Camp Bowie spent from Saturday until Tuesday night with his mother, Mrs. J. P. Starr and family. Clifton is with a horse shoeing detachment.

J. P. Starr is in Mineral Wells, and expects to remain for some time, thinking probably his health will be improved by a few weeks' stay.

The entire family of Chas. Castleberry is suffering from influenza, some members of the family are better while some are reported quite sick. Mrs. W. E. Lovelace and son, Shelby, have been nursing them.

Tom Brannon, J. H. Adams and J. M. Knapp are doing carpenter work at the W. W. Adams place this week.

Little James Adams Knapp has been sick with a cold the past week.

Mr. and Mrs. Lee Armstrong of

Downs visited her parents, Rev. and Mrs. W. W. Adams Saturday night and Sunday.

Mrs. J. P. Starr visited her daughter, Mrs. W. B. Germany awhile Monday night.

Homer Hite returned Sunday from Burk Burnett, where he has been since the 21 of October, working. He and Seymour Dunson will return to Burk Burnett next week.

Homer Hite is working for J. T. J. Dunson this week.

Mr. and Mrs. E. Killingsworth and two daughters, Luna and Mildred, and Mrs. Killingsworth's mother, visit at Mr. and Mrs. Lloyd Bell of Pleasant Valley Sunday.

J. R. White and W. B. Coker were over the community Monday and Tuesday, as a committee for the Combined War Fund.

M. A. Mayfield and son, Grady, were in Vernon Wednesday. Grady was examined for military service.

W. H. Olive, now of Fargo, is hauling cotton from the place from which he recently moved.

Mr. and Mrs. Barney Sherrill of near Fargo visited her mother, Mrs. A. Morgan, and children, Tuesday night.

There are a number of victims of influenza in the R. K. Griffith home, although not any one is reported to be seriously ill.

A very good crowd attended Sunday School Sunday. Others are invited to attend, each Sunday at 10 o'clock.

Raymond Olive was in Vernon Monday night to meet some negroes that were to arrive on the mid-night train, to gather his cotton crop.

If you want ladies' footwear, McKibbin's is the place to buy. Adv. Itc

Guy H. Pettit will return to Call Field Sunday. He has been at home with his parents, Mr. and Mrs. J. H. Pettit, since Wednesday.

Plainview News

Plainview, Nov. 13.—(By special correspondence.)—Willie Grimes happened to a very painful accident Sunday evening at Odell, when he started to crank his car something went wrong and he was struck in the head with the crank.

Joe Mayo and Bill Meek killed a crane Saturday and at it at a thanksgiving dinner Sunday.

The boys are having some fun these mornings, while the heavy dew keeps them from picking cotton. They get out among the jack rabbits with the grey hounds. The jack rabbit has been very destructive here this year. In some places they have cut cotton down so that it cannot make anything.

Herman Jeffcoat has a very sick horse.

Homer Henry and family and Mr. and Mrs. R. C. Collins and Miss Lois Birchfield, spent Sunday at Z. M. Crutchfield's.

M. and Mrs. George Odell of Purcell, Okla., are visiting at the home of Brother, O. B. Robinson.

Fresh chocolates just received at the City Bakery. Adv. Itc

Col. C. T. Herring of Amarillo is in Burk Burnett, following a trip to Vernon. He will return here today or tomorrow.

9 inch black kid lace boots, Louis heels, a fine value, at \$6.85. McKibbin. Adv. Itc

Messrs. J. C. Hampton and J. C. Coe arrived Wednesday night from their homes in Wellington to spend a few days here on business.

Visit McKibbin's shoe department and see the special bargains on sale. Itc Adv.

Warm or Cold This Winter?

Think Back to Last Year

—Did you keep as warm as you cared to be?

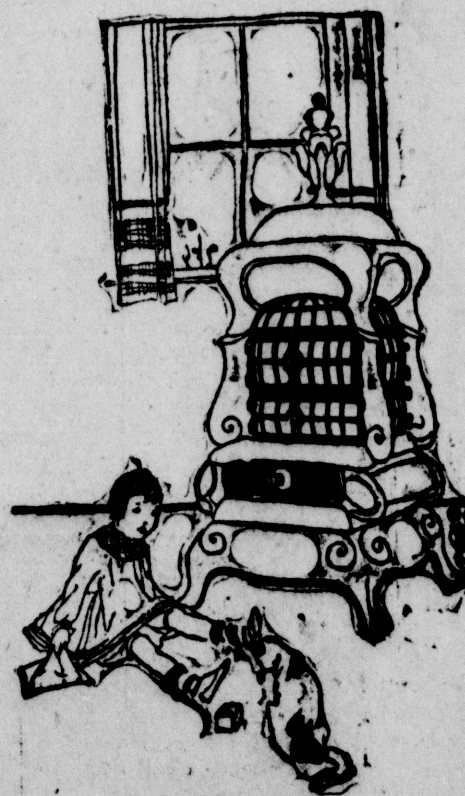

—Did you have the proper heating equipment when those near-zero days kept us all indoors?

—Did your stove eat fuel like some ravenous monster, giving out little comfort in return?

REMEMBER

A faulty heating stove not only means discomfort, but the excessive fuel consumed will prove a source of constant and unnecessary expense that you can easily avoid.

Jackson Springs News.

Jackson Springs, Nov. 13.—(By special correspondence.)—The farmers have been taking advantage of the nice weather, getting their fall work done. Joe Collins has been around taking contributions for the War Work Fund. Jackson Springs expects to go "over the top."

Several cases of influenza have been reported in his community.

Mrs. Herman Joseph has been sick but is better at this writing. The following young men have been sick: Odie Tooley, Frank Kirk, and Monte Mudd. Earl Boon went to Lawton, Okla., Monday to the peace celebration and returned Tuesday.

Mr. Huff of Doans has been over here sowing wheat. He intends to move where Herman Joseph lives, and the latter will move three miles north east on a farm belonging to Alex Streit.

WENT "OVER TOP" NINE TIMES.

Gilford McCarroll Writes Home Folks Texas Got What They Want After Every Time.

"We went 'over the top' nine times, and gained our objectives every time," is the statement of a letter from Gilford McCarroll, son of J. G. McCarroll, who is somewhere in France. Gilford was one of the famous 36th Division. His letter was written October 21. There were some awful experiences, he letter states.

"I have just returned from the front and have finished reading mail from home, written two months ago," Gilford writes. "You may be sure very line was appreciated."

"Fritz was certainly on the run with the Americans hot on his trail. We had lots of narrow escapes, especially dodging the 'G. I. Cans' and 'Beer eggs' that Fritz was sending over, these things have no eyes, but they over lots of territory."

"I have dug enough holes for protection from Fritz's war messages to make a West Texas prairie dog town look like an ant hill. When you think the Germans do not have plenty of fighting goods, just try to break into one of their machine gun emplacements, but we managed to get by pretty well."

"One thing I can say is that we had officers in command, and they stayed with us in the thickest of the fight."

TO HAVE WEEK OF PRAYER.

Women's Missionary Society of Methodist Church to Observe Period of Self-Denial November 18-24.

The Women's Missionary Society of Methodist Church will observe their week of Prayer and Self-Denial from November 18 to 24. This is an annual custom. Gifts during that time will be set for the retirement funds, which provides for worn-out deaconesses and missionaries.

The women will meet in the church Tuesday, November 19, for an all-day session, each woman bringing her lunch. The committee in charge urges every man of the church to attend. A special invitation is extended every mother of a soldier to be present in the morning session.

Mr. and Mrs. J. M. Batchelor are visiting in Wichita Falls.

Subscribe for The Vernon Record.

C. S. McDONALD DIES IN FRANCE.

Only Son of W. G. McDonald Succumbed to Attack of Pneumonia October 21st.

Charles S. McDonald, only son of W. G. McDonald, died October 21st from an attack of pneumonia. This word was received yesterday in a telegram from the young soldier's wife in Los Angeles, Calif.

Mr. McDonald had been in the service only a few months. He was a member of Battery E, 144th Field Artillery, and was taking a course in an officers' school when he was stricken. His father received a letter from him a few days ago dated October 13th.

He was 29 years old and besides his wife, to whom he was married only a few weeks before he entered the service, he is survived by his father and two sisters, Mrs. Vallie Garlington of Vaughn, N. M., and Mrs. Lella Lard, Miami, Texas.

Friends in Vernon will be grieved to learn of Mr. McDonald's death. He was a graduate of Baylor University and had made a success in business. He was general manager of the Western Casualty Indemnity Company, Los Angeles, Calif., where he had been about three years.

COTTON ADVANCES \$7.50 BALE.

Big Slump Following signing of Armistice Only Partly Made Up by Figures Announced Today.

Cotton advanced \$7.50 a bale today over yesterday, according to figures given out on the local market. Local buyers quoted as high as 27 1/2c this morning. During the last few days there have been heavy declines, the loss being as much as \$17.50 a bale Tuesday and Wednesday.

Reports of the amount of cotton ginned show about 2,300 bales handled by the three gins in Vernon. Oklahoma reports 331 bales, and Fargo 301. Other reports were not available.

For Cold and Grippe Doctors Find Remedy

Physicians and druggists are elated over the fact that they have at last found a genuine and dependable remedy for colds, sore throat, influenza and grippe. For years they have depended chiefly upon the old style calomel, which is certainly fine, but unfortunately many people would not take it because of its nauseating and dangerous qualities.

Now that the pharmaceutical chemists have perfected a nauseous calomel, called "Calotabs," whose medicinal virtues are vastly improved, the doctors and druggists are claiming that Calotabs are the ideal remedy to abort a cold over night and cut short an attack of sore throat or a grippe. They are also finding it most effective as the first step in the treatment of pneumonia.

One Calotab on the tongue at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating or your work and pleasure. The next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages; price thirty-five cents. Your druggist recommends and guarantees them by refunding the price if you are not delighted.

KELL MILLING COMPANY

NOW DRILLING

BURK-WAGGONER OIL CO.

Lesh Drilling Company have actually begun operation with their standard rig on our 60-acre tract located on the great ridge 2 1-2 miles northwest from Burkburnett. The Gist and Robertson wells extend Burkburnett pool one mile directly in our direction. Our property is adjoining an unusually rich pool, and considering the fact that 60 acres will furnish 24 wells, stop a minute and figure what your investment would mean on twenty-four 100-barrel wells.

Shares \$100.00

Capital \$60,000

KINCHELOE TO OPEN MONDAY.

Misses Lelia McGhee and Mary Puckett Will Teach in New Building of Consolidated District.

Miss Lelia McGhee announces that Kincheloe Consolidated school will open Monday, November 18. Her assistant is Miss Mary Puckett, also of Vernon. The county superintendent:

N. R. Tisdal, county demonstrator, and Rev. W. J. Darnall of Lockett, have been asked to be present at the opening exercises. Patrons and friends of the school are also invited.

Kincheloe has just completed a new modern building. The structure is of wood, but it was constructed according to plans of the State Department of Education. The district has been approved for State Aid this year.

"Keeping the Home Fires Burning"

—The pleasant duty of All Stay-at-Homes.

—And just as new materials must be placed on the fire to keep it burning brightly, so should new furniture be introduced into old home surroundings to brighten up the home.

—Distinctive home furnishings have a very definite place in character building.
